PIEE SSO FedMall Vendor User Migration Steps

October 31, 2021

WARFIGHTER ALWAYS

PIEE SSO Migration

- Vendors must use PIV/Cert to access PIEE to then access the FedMall Supplier Portal
- Current PIEE users can update their Authentication Type now under My Account/Security/Change Authentication Type
- Access Resources for Registration and Setup Instructions
 - PIEE URL <https://piee.eb.mil/>
 - Setup
 - Machine Setup
 - Follow the Vendors Getting Started
 - Procurement Integrated Enterprise Environment – Getting Started Help
- Companies new to PIEE must assign a Contractor Administrator (CAM) to manage their CAGE

PIEE Landing Page

Consent Required

Privacy Statement

You are accessing a U.S. Government (USG) information system (IS) that is provided for USG authorized use only. By using this IS (which includes any device attached to this IS), you consent to the following conditions: The USG routinely intercepts and monitors communications occurring on this IS for purposes including, but not limited to, penetration testing, COMSEC monitoring, network operations and defense, personnel misconduct (PM), law enforcement (LE), and counterintelligence (CI) investigations. At any time, the USG may inspect and seize data stored on this IS. Communications using, or data stored on, this IS are not private, are subject to routine monitoring, interception, and search, and may be disclosed or used for any USG-authorized purpose. This IS includes security measures (e.g., authentication and access controls) to protect USG interests—not for your personal benefit or privacy. Notwithstanding the above, using this IS does not constitute consent to PM, LE or CI investigative searching or monitoring of the content of privileged communications, or work product, related to personal representation or services by attorneys, psychotherapists, or clergy, and their assistants. Such communications and work product are private and confidential. See User Agreement for details.

Warning: Use of Back Button

Please DO NOT use the browser BACK BUTTON within the Procurement Integrated Enterprise Environment applications, the use of the browser's BACK BUTTON is not supported within the Procurement Integrated Enterprise Environment applications. Use of this button will cause the loss of data not yet saved to the server and will result in the applications not performing as intended. DO NOT use the backspace key in any uneditable field, as this will function as the back button, where they exist, use the PREVIOUS or CANCEL buttons to return to a previous page within the Procurement Integrated Enterprise Environment applications. The security accreditation level of the applications are Unclassified FOUO and below, do not process, store, or transmit information classified above the accreditation level of this system.

Welcome to FedMall Supplier Portal (SIT UPGRADED PORTAL)

FedMall is an eCommerce ordering system for DOD, Federal, State, and authorized local Agencies to search for and acquire products from government reserves and commercial sources. Buyers will have access to tens of millions of individual items of supply, from centrally managed DOD and General Service Administration (GSA) assets as well as commercial off-the-shelf products.

Use of FedMall requires Internet Explorer, Mozilla Firefox, or Google Chrome with cookies, pop-ups, and JavaScript enabled. This is a US Government web site that is subject to monitoring.

Viewing documents on FedMall requires Adobe Acrobat Reader.
